

If you would like to add a calendar to your Outlook that is perpetually updated with the current M/T days, you add an internet calendar and paste in the address below. The calendar link is tied to an org box (managed by DFR) and will stay current when the cadet academic calendar is updated.

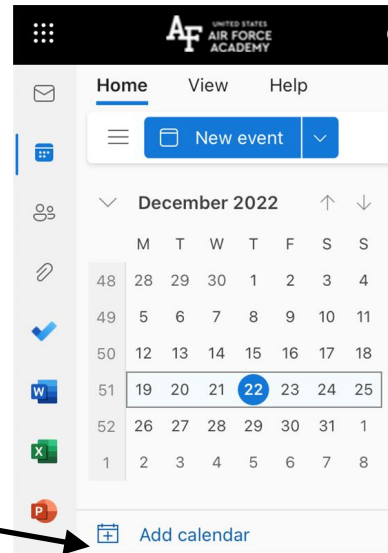

Instructions:

1. Sign into Outlook on the web.

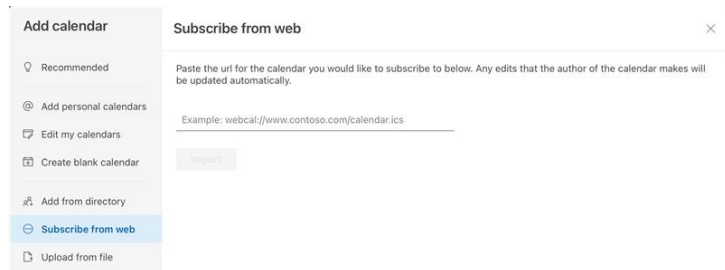

2. Select Calendar.

3. In the navigation pane, select add calendar.

4. Select subscribe from web.

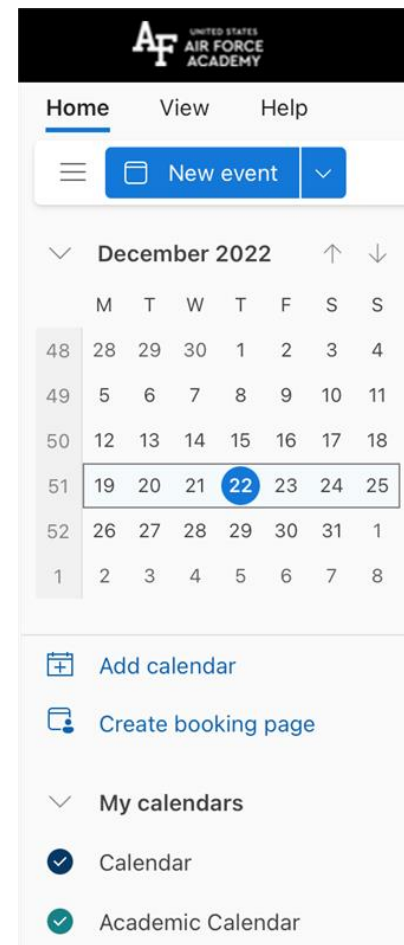

5. Enter this url:

<webcal://outlook.office365.com/owa/calendar/d8f6e643dd404faa85cfa326d86d43b6@afacademy.af.edu/785d8eab2f1c490da906c78b2c0946374871920484251035494/calendar.ics>

6. Type a calendar name, select color and charm (optional), add to a calendar group (e.g., My calendars), and click import.

[illegible]

7. The calendar will appear in your calendar list and remain updated when changes are made to the official cadet academic calendar.

Instructions current as of 2023-08-04.
